Year End Information: In this newsletter, there is information about the faithfulness and generosity of so many. Thank you!

- a. **Christmas Eve:** On Christmas Eve over 900 people worshipped at McCabe. You may remember that, in response to God's generosity in our lives, we gave away the Christmas Eve offering. These numbers are included in this newsletter.
- b. **Year End Financials:** In this newsletter, you'll also find a general report of 2018 giving by the people of McCabe. God's generosity through the people of McCabe was apparent in many ways. Between the regular offering, mortgage and capital gifts, gifts from the Foundation, and other special gifts, our overall giving totaled just over \$1,000,000. These gifts are used to pay for ministries designed to reach new people and to care for people who are already part of McCabe. This is used for ministry, missions, the building, snow removal, heat and air conditioning, pastoral nursing, music, coffee, study materials, Bibles for kids, and the list goes on. Thank you for investing in God's Kingdom through McCabe.
- c. **Worship Attendance:** On average, we worshipped 354 people on a weekend in 2018. We have 950 members. We figure we interact with about 3,000 people (members and nonmembers on a regular basis). You make a difference!

Behind the Scenes Thank You: I am so thankful for the difference the people of McCabe make in the lives of real people across the community, and the world. Your presence and participation in worship, small groups, and serving ministries makes a difference in Jesus' name. Thank you!

Advertising and Marketing: We have a team actively developing and working on reaching people through social media and other electronic ways (ex: Google). God willing, this will be part of a larger strategy to develop a year round outreach and marketing plan. The Digital Advertising Team would like to invite you to *be a part of this new social media plan. For those who are already using Facebook, you can make a powerful impact in a short amount of time by doing the following:*

- 1 *Start by liking McCabe's Facebook page*
- 2 *Then share posts about upcoming message series, events like Family movie night, Wednesday dinners, or videos of any of the music programs. Share things you're interested in.*
- 3 *Then invite your friends to join you at the service or event - or simply to like McCabe's page.*

4 *It's easy, just a few clicks really. Those personal connections to someone from McCabe may give someone the encouragement to see what McCabe is all about, and it could make a difference in their life.*

Preaching Conference: On January 25, McCabe hosted a Dakotas United Methodist Preaching Conference.

Worship Coach: Tied to this Preaching Conference, we also hosted a Dakotas United Methodist Worship Conference on Saturday. This worship conference was led by Jason Moore, our new worship coach. In preparation for this, we pulled together a team of people interested in worship.

Part of our ongoing relationship with our worship coach is to help us grow in faithfulness and effectiveness in:

- 1 **Teaming/Planning:** We currently communicate among people in planning worship, but we have opportunities to grow in intentionally and consistently planning worship that connects and engages in faithful, meaningful ways.
- 2 **Worship:** This will be part of the process of faithfully and intentionally looking at the number of services we offer, the times of the service we offer, and the type of service at specified times. We continue to articulate that we are a 'both/and' church. A large part of our identity is our strong traditional worship with the choir, organ, special music and more. Likewise, we have a lot of growth potential with our more contemporary worship offerings.
- 3 **Worship that Engages People:** We continue to think about how we most effectively engage people in meaningful, faithful worship.

Our worship coach, Jason Moore is paid for through the MCCI process with the Dakotas Conference. We continue to look forward to further developing and strengthening a worship team that creates and offers faithful, holy worship experiences.

High 5 Worship: In January, we tried something new with High 5 Worship on Wednesdays. We made an intentional effort to reestablish some renewed structure for an engaging, multigenerational worship. We're starting to talk about the possible need to set up a few more tables during this time to help accommodate everyone present.

Wednesday Evening Meal Team: Members of our Wednesday Evening Kitchen Team have been faithfully working to continue to develop and strengthen this ministry. They have been very faithful and doing a great job. We continue to seek people interested or feeling nudged to help out once in a while in anything from shopping to food prep to serving to clean up to funding. The commitment can range from one time to ongoing.

Awana: McCabe hosted a Western North Dakota Awana meeting in January. The opening video powerfully reminded us that one relationship can make a difference in someone's life. Awana continues to minister with children and adults ages 3 years old through 6th grade, and with the leaders helping to assist and teach. This is about relationships among people, and relationships with Jesus Christ.

Youth: Our Youth Ministries continue to gather and meet. Between Trek, Confirmation 1, Confirmation 2, Youth Group, Youth Bells, etc, we have between 20 and 30 youth engaged in ministry each week through McCabe. Before Christmas we started ending our Wednesday evening youth ministry time with a 15 minute, shorter, higher energy activity paired with a time of prayer or music/mini worship. We continue to explore ways to faithfully build community, relationships, as we all grow as followers of Jesus.

Celebrate Recovery: Celebrate Recovery continues to build and develop groups on Wednesday and Saturday evenings and throughout the week. CR has moved from the basement to the Great Hall on Saturday evenings for their meal and Large group.

First Pacific Islander Congregation of ND: Our First Pacific Islander Congregation in ND continues to meet and study together over the course of the week as God develops another worshipping community in Bismarck through McCabe.

Safe and Secure Environment: Work has started on studying and developing a plan for McCabe offering a Safe and Secure environment under a variety of possible scenarios that can present. We look forward to ongoing development and work in this area for the people of McCabe.

Audio Visual Team: An Audio Visual Team meeting with a few community partners (Audio Visual and Technology) had to be rescheduled from early January to the middle of January. With faithful gifts and opportunities we've received, we decided we needed to take a step back and make sure we are being faithful coordinating and

implementing our plan for livestreaming, updating some of our failing sound board, and coordinating ministry technology to reach more people and create engaging worship environments. Unfortunately this means we likely won't have our livestreaming operational by the end of January. Instead, we are focused on this effort moving forward in a coordinated, thought out manner.

Precepts: Precepts will be starting a new study in 2nd Thessalonians on February 7.

Commission on a Way Forward: At the end of February, the World Wide United Methodist Church will be gathering for a special General Conference. A special group was pulled together to help study and prepare for this meeting. This group was called the Commission on a Way Forward. The intent of this General Conference meeting is to work through the United Methodist position around the issue of human sexuality, specifically as it relates to same sex marriages. Please be in prayer for Spirit-filled, faithful, graceful, holy conferencing for this meeting. There will be around 800 United Methodists from around the world (representing around 12 million United Methodists) meeting in St. Louis for this meeting.

Bus: Our bus route is well used and continually monitored. We currently have a great group of drivers. (No special licenses or permits required). There are a variety of opportunities for the bus. If you might feel nudged to explore driving, please visit with Nurse Jane.

Financial Peace University: Financial Peace University has started.

Griefshare: In March, we anticipate starting a new small group series called Griefshare. **GriefShare** is a friendly, caring group of people who will walk alongside you through one of life's most difficult experiences. Built around a 13-week video curriculum, **GriefShare** support groups meet weekly to help you face the challenges of grief and move from mourning to joy.

Automatic Bathroom Door Openers: Work will begin soon to install auto-

matic door openers on the bathrooms outside the sanctuary. This has become an increasing issue as people open the door with their hands filled with bags, strollers, walkers, wheelchairs, etc.

Lent: We have been working to try to develop a meaningful, faithful Lenten experience that includes worship and small groups. We're looking at the overall Wednesday evening schedule and working to figure this out in a way that supports, and doesn't disrupt, the number of people and ministries we currently have on Wednesday evenings.

'Soup'er Bowl: In February, our Family Ministries will be leading a Souper Bowl campaign gathering cans of soup for situations where people are food insecure.

Weekly Update: If you'd like to get a weekly update from me about some of things happening around McCabe, feel free to let the office know and we'll include you in the weekly email update I send out every week.

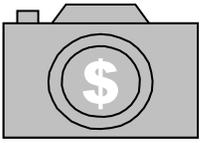

It's a joy and privilege to get to worship and serve with you,

Mark E.

February ONE Thing:

Please help us fill the Bismarck Emergency Food Pantry with donations of **soup**. Donations can be left at the display in the Great Hall.

Wholly Healthy Greetings McCabe friends,

Did you know that falling in love is “like an avalanche where you have to run for your life!” or “when you love somebody, your eyelashes go up and down and little stars come out of you!” These were words of wisdom provided by young children when asked, “what is love”?

Let’s continue on with some more “**Did you knows**”.

Did you know that being out in the subzero temperatures, especially with windchills, can cause frostbite to occur within minutes? The experts at Mayo Clinic suggest that it is important to cover up exposed skin when out and about. Wearing a hat and scarf that covers the head and face, wear mittens instead of gloves (keeps the fingers warmer), and to wear warm socks and boots that cover the ankles to keep the feet and toes warm.

Signs and symptoms of frostbite are:

Prickly, burning sensation followed by numbness

Skin color change: red, white, blue or a pale white-yellow tone

Waxy or tough-looking skin that becomes hard to the touch

Stiffness in joints or muscles

In severe cases, blistering can occur and skin can turn black

If you experience symptoms of frostbite, try to gradually bring feeling back into the body. **Never** rub frostbitten skin or submerge your hands or feet directly into **hot** water as this can cause further skin damage. Instead, put hands or feet into lukewarm water to rewarm the skin.

An immediate ER visit is recommended if one experiences these symptoms (again, according to Mayo Clinic):

Your skin color changes color or becomes hard.

Your skin stays numb (you can't feel anything).

You have severe pain as your skin thaws.

Skin blisters start.

Please bundle up and be safe in these frigid temperatures. Soon, we will be complaining of the heat!

God bless,
Nurse Jane

P.S. **Did You Know** that shivering counts as exercise?! ☐

NEW MEMBER CLASS: Sunday, February 10, 10:45 a.m.

Would you like to learn more about what God is up to at McCabe? Have you been attending worship for a while and are curious about becoming a member? If so, we would love to have you participate in our next new member class! **We will gather at 10:45 a.m. on Sunday, February 10, in the Library (room E11).**

If you decide you'd like to become a member, you'll have the option of either joining immediately after this class or joining during worship on a subsequent weekend. Contact Karlee in the church office to sign-up or to ask questions (adminassistant@mccabeumc.com or 255-1160).

GRIEF SHARE GROUP BEGINNING ON MARCH 7

Whether it is due to a recent loss, or it's been a constant companion for many years, *grief* is part of so many of our lives. *GriefShare* is a faith-based, 13-week support group designed help you heal, find joy, and seek purpose in the wake of your loss. **Our McCabe GriefShare group will begin on Thursday, March 7.** The group will begin at 6:30 p.m. each week and will last approximately 90 minutes; the final session will be on Thursday, May 30. *To sign-up or to learn more, contact Jane Morgan, McCabe's Parish Nurse (jmorgan@mccabeumc.com or 255-1160).*

"BUS PARKING ONLY" SIGN

When you park in the south parking lot, you may notice the two parking spots near our shed are marked with a "Bus Parking Only" sign; these marked spots are *in addition to* the bus parking area directly adjacent to the shed. If you've wondered why we need the space directly adjacent to the shed *and* the two parking spots next to that space, it's all about turn radius! **In order to maneuver our McCabe bus in and out of the bus parking area, the extra space of those two parking spots is required.** When cars park in those "Bus Parking Only" parking spots, the bus drivers are unable to get the bus in and out of the space adjacent to the shed, and the bus must be parked elsewhere in the lot. During the cold season, this usually means we can't plug-in the bus engine, so we may not be able to get the bus started the next time we need it. Our bus ministry is allowing so many people to get to church who otherwise could not. ***Thank you for assisting our bus ministry by not parking in the "Bus Parking Only" spots!***

WEDNESDAYS IN LENT: Ash Wednesday is March 6

Every year, the church season of Lent begins on Ash Wednesday and we enter into our 40-day journey toward Good Friday and Easter Sunday. This year, Ash Wednesday falls on Wednesday, March 6 (Easter Sunday is April 21). There will be more in next month's newsletter about how we are honoring Lent here at McCabe, but

keep these special Wednesday schedules in mind:

Ash Wednesday, March 6

Worship in the sanctuary from 5:55-6:40 p.m.

Small Groups (including AWANA) will meet from 6:45-7:30 p.m.

Lent Wednesdays (March 13-April 10)

Worship in the sanctuary from 5:55-6:25 p.m.

Small Groups (including AWANA) will meet from 6:30-7:30 p.m.

LENT WORSHIP SERIES – *Renovate: Building a Life with God*

This year during Lent, we here at McCabe will be using the Dakotas Conference Lent study as our sermon series for both Wednesday and weekend worship. The series is based on United Methodist pastor Jacob Armstrong's book *Renovate: Building a Life with God* and, using the biblical book of Nehemiah, it centers around the heart-level, "renovating" work God can do through us. If you like "fixer upper" TV shows, you'll love this worship and study series!"

WEEKEND WORSHIP IN FEBRUARY: Deadly Sins and a Bit of Grace

Our *Beyond the 7 Deadly Sins* sermon series will continue through most of February, with a look at GREED (2/2 & 2/3), LUST (2/9 & 2/10), and GLUTTONY (2/16 & 2/17). That series will be followed by a short, 2-week series on *grace*.

Coming in
March for
children
and family
ministries!

This weather reminds me of the late summer in 1965, when I came up from Georgia. There was no snow for Thanksgiving or Christmas, but late winter of 1966 came the worst blizzard in ND history. I was snowed in at work, at the hospital for 3 days. When I could finally walk back to my apartment, it was still cold and windier. I started crying because I wanted to be back in GA and my eyelashes froze shut. That would still happen now and there's still snow but, I wouldn't live anywhere else.

On January 10, we has an executive meeting with **all** members present. Part of new business is that we only have 2 unit meetings a year. This was approved. This is because of low attendance at unit meetings. The first unit meeting will be March and Esther Circle will hostess. The second one will be in December as usual as this is the installation of new officers and awards.

Our next executive meeting will be February 14 at 10:00 a.m. Circle meetings in February will be on the 21st at regular times.

Our treasurer, Kory Hagler, has put together our 2019 membership booklets, you should be able to get them at your circle meetings or in the office. Thanks so very much, Kory.

With some of the monies from the bazaar we have made donations to: Open Door Community Center, Salvation Army, Ruth Meier's Hospitality House, AID Inc., Spirit Lake, United Way, Solar Ovens, Celebrate Recovery, Tracy's Sanctuary House, Abused Adult resource Center, McCabe's Camping Expenses. These are "some" of the many ways we help spread our Lord's love. This ladies is why we work so hard and I am so proud of each and every one of you.

Reminder: We have the Spring Banquet Salad Luncheon coming up.

I leave you with this verse....Love what you have. Need what you want. Accept what you receive. Give what you can. Always remember, What goes around, comes around.

God bless you each one and stay warm,
GerryAnn Small

Prayer Corner

Dear Father in heaven,

You have promised to meet all of our needs according to your riches in glory. When we see what others have, may we remember all you have bestowed upon us.

Grant us wisdom to use wisely those gifts and talents you have given us.

Teach us how to love ourselves as much as You love us. Your "well done" is worth so much more than man's adulations and possessions.

You have blessed us so richly. May our lives be used as a blessing to others around us.

In Jesus' name we pray,
Amen.
